Dear Parent

Should we judge a dolphin by its ability to climb a tree? We do not wear the Board exam marks on our sleeves? Right. But they do signify a simple thing: it quantifies the level of sincerity and sense of responsibility of a student as per the complexity of the subjects each one studies. This sense of sincerity and responsibility should begin from the time the student steps in XII.

With mercury rising to unprecedented heights, it is that time of the year where Summer Vacation provide us a little respite from the scorching heat. At the same time it also allows students enough time for introspection, reviewing past performances, learning from mistakes, goal setting planning strategically and tactically, identifying obstacles to success. Gearing up for this wonder period of rejuvenation, let us prepare ourselves to utilise our time in many constructive ways. With the idea of fostering new learning experiences and to enhance individual inquisitiveness, the school has planned some to channelize the energies of the young Students.
